## The Canadian Steel (GALVANIZED) Airmotor

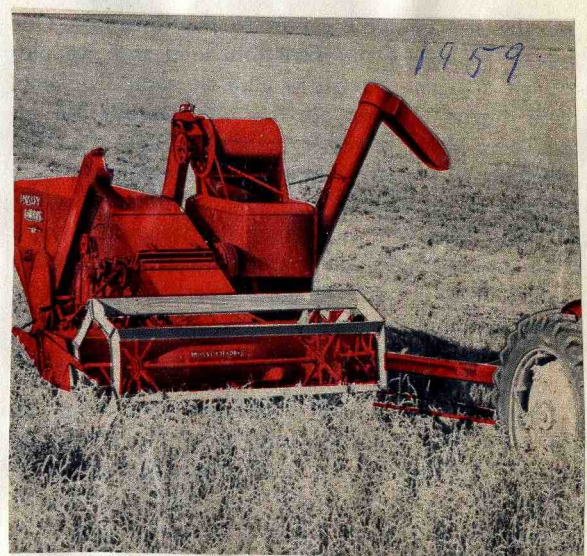

IS THE MILL TO DO YOUR WORK.

Mr. Spieran, of Udney, writes:  
 "The 13-foot Airmotor I purchased from you I gave an unusual test. I had a chopper, pulper and a Fleury No. 6 Ensilage Cutter (with side rakers) all on at once, and it furnished power for all as fast as I could feed them with a helper."

The PROOF of the PUD-DING is in the CHEW-ING thereof.
