Following the meeting, lunch was served by Mrs. Robert Kennedy and Mrs. Arnold McDowell.

The next meeting will be held on January 2, 1974 at the hall, with roll call being "What we can do to fight pollution."

Longest Fence

The world's longest fence is the 3,500 mile dingo barrier which encloses the central sheep-raising country in Queensland, Australia. The sturdy wire netting, six feet high and buried a foot underground, protects sheep from marauding wild dogs.
