CORINTH 4-H

Although Corinth has 4-H Agriculture Clubs (e.g. - potatoe, calf and grain) the Women's Institute is proud to have sponsored 4-H Home Making Clubs since 1939.

The Corinth 4-H has been represented 19 different years with 36 clubs attending 30 Achievement days. Several girls have received provincial honours (12 clubs) and many county honours (6 clubs) for which we are proud.

There are usually 2 4-H Home Making Clubs a year - one a sewing and one a cooking club. Although they teach more than just sewing and cooking the girls seem to favour cooking.

Our W.I. is happy to congratulate two of our W.I. members who have received awards for 5 years service as leaders of these home making clubs. They are Mrs. Douglas Falkins and Mrs. Gordon Chilcott. Many others need a pat on the back. Here are the names of those of the past years - with many thanks to Miss Lois Ferguson, the present Home Economist of Elgin County, who looked up files and kindly submitted them to us -
