DISTRICT ANNUALS

By 1907, six Branches had organized-Aylmer, Springfield, Sparta, Port Burwell, Mapleton and Bayham--when a District was formed. Executive Annuals were held during the summer with the Farmer's Institute, each holding their separate meetings in the afternoon, followed by supper and joint meetings in the evenings.

1948 1948	The first District Annual was held in	Aylmer, the name being changed from Executive Annual to District Annual

EIGIN COUNTY WOMEN'S INSTITUTE CENTENNIAL SCHOLARSHIP

In 1949, the Provincial Board of the Federated Women's Institutes of Ontario asked that the Ontario Women's Institutes scholarships be made a special project of the Branches. Districts and Areas were asked to sponsor a drive through their Branches to raise the money for this purpose and any District raising the required \$2000. would be assured of an annual scholarship from the interest derived from this amount. On June 2, 1952, the Elgin East District ratified the creation of the Elgin County W.I. Centennial Scholarship, and on May 26, 1953, it was announced that Elgin County was the first in the Province of Ontario to raise a Scholarship Fund. For the first two years, 1953 and 1954, the amount of the scholarship was \$60. and was raised to \$100. thereafter.
