

RIDGE ROAD CEMETERY IMPROVED 1924.

The cemetery on the Ridge Road south of Eden, has long been in a neglected condition and some months ago Messrs. M. Ostrander and the late Elwin Stilwell took the matter in hand with a view to having it placed in proper condition.

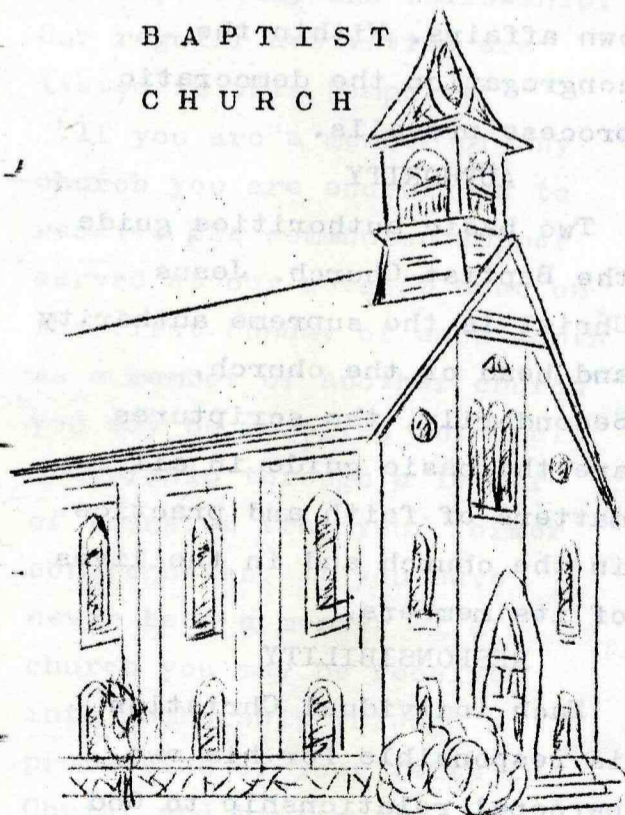

Subscriptions were received to the amount of \$313.25 and the work of improvement was commenced. The lamentable death of Mr. Stilwell well delayed matters somewhat but the improvements have been completed and below will be found a statement of the expenditures in connection therewith.

The cemetery has been cleaned up, a retaining wall built and a wire fence erected around the lot, all of which has made a wonderful improvement in the "City of the Dead".

Expenditures were as follows:--

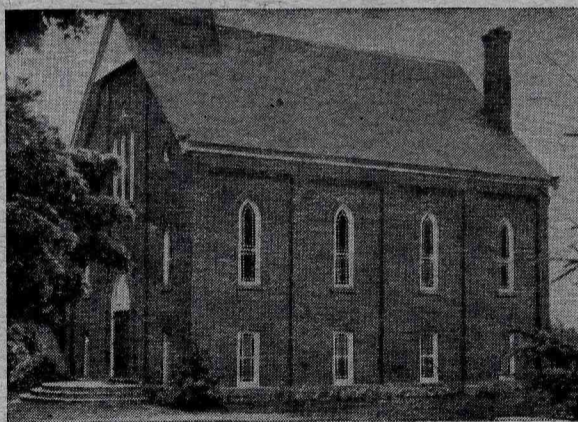

W. Lambden	Cement	\$ 101.25
A. McDowell.....	Work	122.00
Ira Stilwell.....	Wire	19.50
M. Burwell	Post	12.00
