

# Coming Soon! Our Catalogue is Getting a Makeover

You'll still have access to all the great features you use today, and more. We're just updating our look and adding a few new options.

## 1) The New Look

The screenshot displays the Elgin County Library Catalogue homepage. At the top left is the Elgin County Library logo. To its right, a 'Welcome to the Catalogue' message lists features: 'Discover books, movies, music and more', 'Check due dates, renew materials', 'Place holds for delivery to your local branch', and 'Contact library staff with requests and questions'. On the top right, there are input fields for 'Library Card #' and 'PIN', a 'LOGIN' button, and a link to 'CLICK HERE' to register for online use if the user doesn't have a library card. A navigation bar below the header includes links for 'Search/Home', 'Browse', 'Kids' Library', 'New Books', 'Request Material', 'Reference Questions', 'My Account', and 'Contact us'. Below this is a secondary navigation bar with 'Go Back', 'Help', and 'Logout'. The main content area is divided into several sections: a search interface with radio buttons for 'Keyword', 'Browse', and 'Exact' search, a search input field, a dropdown for 'words or phrase', a 'Search' button, and a 'library:' dropdown set to 'ALL'; a 'Library Info' sidebar with links for 'Branch Libraries', 'How do I...', 'Kid's Activities', 'Online Databases', and 'What's New'; a 'What Others Are Reading' section listing 'Hottest title: Litigators', 'Hottest author: Patterson, James', and 'Hottest subject: Amish--Fiction'; and a 'Recommended Reading' section with two columns: 'Recommended Reading' (listing awards like Agatha Award, Anthony Award, etc.) and 'Best Sellers' (listing categories like Globe and Mail Fiction, etc.). At the bottom, there is a footer with 'Powered by: SirsiDynix', copyright information for Elgin County Library (2000-2011), and a 'Top' link.

## 2) The “Keep” List

You can create a list of items to keep track of if you are doing research or if you want to remember titles for later. Once you've gathered items on your Keep list, you can e-mail them to yourself.
