Thank you for your interest in the Elgin County Showcase for the 2010 International Plowing Match. Please note that space is limited, and due to the overwhelming interest, we will be selecting our exhibitors. All groups are kindly asked to follow the 'Progressive By Nature' theme, and incorporate an activity into their booth space in keeping with this theme. Enclosed is an application form with this letter. Visit www.progressivebynature.com for more information and details of the International Plowing Match.

Exhibitors must also fit the following criteria:

- a) Non-profit organization
- b) Have a mandate that serves the County as a whole
- c) Interactive and informative display.

Please note that if your group is selected to be a part of our "Community Tent" there is a meeting scheduled to be held here at the County building on Thursday March 25th, 9:30am for all exhibitors. Therefore it is extremely important that you return your application no later than February 15th, 2010 to:
