4 H Girls guests at Eden W. I.

The Women's Institute met in the education room at Eden Baptist Church the evening of September 3rd.

Guests were seven 4-H girls and their leaders, Mrs. David Causyn and Mrs. Robert Gregson of the Straffordville Club, which is sponsored by Eden W.I. The girls put on a skit entitled, "So you're having a party". It was explained that changes were made in 4-H work. The book contains pages of fill-in-blank type rather than the girl writing her own report of meetings. Achievement Day is half-a-day. An attractive cover, which had been designed by one of the girls, was exhibited. The girls had an exhibit at Aylmer Fair. The next project will be "Your Corner of the World". Mrs. Charles Cowan thanked them and Miss Catharine McDowell presented a spoon to Laurie Norris who had recently received her county honours. Mrs. Hans Anderson and Mrs. Reg Goldthorp served lunch.

After lunch, Eden members assembled for their meeting. Roll was "Say something nice of the person on your right" and the motto was "How to get involved".

Eden W.I. had exhibited at Aylmer and Tillsonburg fairs, with Mrs. Goldthorp and Mrs. Ream Hall as conveners. Miss Margaret Craven reported on the London area Tweedsmuir Workshop held at Grand Bend. Letter was read from Miss Bonnie Wilson, Elgin's new Home economist. Mrs. Anderson and Mrs. Croft Garnham volunteered to take the course being held in Springfield for two days in October. Elgin Rally are holding a craft night at New Sarum public school on October 7th.

Elgin East district executive will meet at St. Thomas Museum at 1:30 on Sept. 23. Mrs. Wm. Baldwin, convener of resolutions, asked that all conveners bring their record books to the October meeting which is the evening of the first day. There was a discussion of the July Canada Day, how to improve as well as what was enjoyed was brought out.
