

TWEEDSMUIR HISTORY

THE KENSINGTON CLUB

Souvenir
Sixtieth Anniversary
Woodview United Church
Lawrence Station, Ontario
1885-1945

Special Service October 21st

OUR NEW TWEEDSMUIR HISTORY is just nicely started.

The history of the Kensington Club is well on the way. We have secured the programs for the fifty years, but haven't been able to put them in the book as yet.

We have some maps completed. Perhaps you can find your farm on them.

The few farms completed are meant as a sample, only, of what we hope to accomplish in this history. The farms used are simply those for which we had information and pictures available. If everyone will co-operate in hunting up, or taking pictures of their homes, crops, livestock, etc., we will be more than happy to treat YOUR farm in the same way. We plan to devote at least one page to each and every farm.

As you can see the pictures make the account doubly interesting. Any pictures you can give us should be marked telling what the picture contains and your name. Any such information or pictures may be handed to any member of the Tweedsmuir History committee or any Club member.

We are also anxious to get school pictures(groups of children) old or recent, for all four sections, with names if possible.

All material will be handled with utmost care and used to the best of our ability.

PLEASE HELP US!

THE TWEEDSMUIR COMMITTEE,

Mrs. J. Oldham,
Mrs. F. Bogart,
Mrs. D. C. Turner.
