The Winter Picnic is an annual social event when Elgin West District members get together for a pot luck supper and a short program. This year it was held on Monday, January 9<sup>th</sup> 1989 in Kintyre Presbyterian Church with Clachan N. I. Branch as hostess.

Mrs. Sally Mc Intyre welcomed members and introduced guests from neighboring districts of Elgin East and Oxford South.

"Recycling" was chosen as a theme for the program that followed the bountiful supper. Each branch present staged a short skit or reading pertaining to this popular subject and the finished product was an evening of fun and entertainment.
