Date of Meeting - April 1st 1982.

Our second Tweedsmuir History Book was on display at our annual meeting, also the scrapbook in which I have continued to add pictures and interesting items of local interest. During the past year I have taken pictures and written an article on the Twelve business operations which helps to make our village an enjoyable place in which to live.

Last summer, on our annual bus trips we visited the Adelaide 'Horseshoe' homestead at St. George.

Motto for this Tweedsmuir meeting was "He who forgets the past, loses the key to the future." and was commented on by the convenor.

Roll Call - "most amusing event from the past you can remember."

In the History Book, I have done a complete account of our 70th Anniversary, which was held in July, 1982. - This included pictures, the program and copies of two histories which were given. I have also completed a history of three older farms in Denwick Township and updated another one, which had been done in 1969.

Last September on our bus trip, we went to Niagara-on-the-Lake to see "Desert Song".

The motto for our Iweedomin meeting was "Will you leave a legacy?" with comments by the convenor. A few short "Stories of Yesteryear" were read and the Roll Call was "Comment on Story of the Old Telephone Party-Line."

Our second Tweedsmuir History Book was microfilmed last summer and I have started on Volume III. During the past winter I have traced the owners of many of the older homes in our hamlet and plan to trace more in the coming year. The book and scrapbooks were displayed at our branch annual meeting.

At this meeting, our Tweedsmuir meeting, the motto was "We treasure the past, we face the future." Comments on the motto were given, and two poems read. Roll Call "Interesting items in writing about your home, and a recent picture of the same."

Last August I attended the London Area Curators' Workshop at St. Pauls.
