

Wallacetown WI entertains Wallacetown 4-H Club

On Thursday October 11, the Wallacetown Womens Institute met at the South Dunwich Community Hall with 11 members present and 9 4-H members from the Wallacetown 4-H Club attending. A prepared meal by the Institute members was served at 5:30 pm.

Convenors for the meeting were Amarilis Drouillard, Kathy Minnema and Marjorie Ripley helped with the planning. Kathy read an article "We can all learn from Geese".

The Roll Call was "What Do You Feel Makes Your Life Successful?" Amarilis introduced our speaker Trina Van Breuk who is a consultant for Mary Kay Products. Trina has worked very hard to build her business to its present size with many consultants under her. It's an

opportunity open to anyone, you can still spend time with your family and have financial security, excitement, personal growth and a career with integrity and happiness without compromise. She is a single mom and enjoys her work.

We had a draw for 4 make-overs and the lucky winners were: Kati Welch- 4-H member, Karen Keith, and Pam Silva 4-H leaders and Kay Waite- WI member. A fresh look for everyday for all ages from 12 years and up, anyone can have it. The idea is to keep it simple and to make yourself as natural as possible. Many helpful hints were given out to all.

Susie Wilcox helped Trina to give the other ladies and

4-H members a hand treatment, which was very refreshing. Did you know when you are buying perfume, when tested on your wrist, if tastes salty, its not for you! If it tastes soapy this suits you.

Amarilis thanked Trina and Susie for coming.

The Institute members had a meeting following.

In New Business- we are sponsoring an evening on "Your Financial Future" with four speakers at the South Dunwich Community Hall on November 22, 2001 at 7 pm.

There will also be a bus trip on December 8 to the Casino in Pt. Edward and a Matinee 2 pm show "Victorian Christmas Concert". Cost is \$56 per person.

Our next meeting will be held November 2 at 1:30 pm at the home of Ruby McGugan.

THE CHRONICLE Oct 29/2001

Kathy Minnema and Amarilis Drouillard are Convenors.

Shedden and West Lorne Womens' Institutes have success

Mary Belle Cook, at left, President of the West Lorne Women's Institute presents Kelly Noah, a Montreal Bank employee in West Lorne, with the winning dinner certificate. Noah won a dinner for 10 sponsored by the West Lorne Women's Institute.

Oct 22/2001

The Chronicle

The Shedden and West Lorne Branches of the Women's Institute hosted a very successful Cancer Tea on Saturday, October 13 at the West Lorne Complex.

Seventy-three ladies from the different Elgin County Branches signed the guest book. A total of \$1870.33 was raised for the West Elgin Daffodil Auxiliary. This will be used to aid our local cancer patients. Winners of the grocery draw was Grace Blewett. Kay Waite won the garden basket.

These prizes were donated by Shedden Womens Institute. Kelly Noah was the lucky winner of the Dinner for 10 draw. This prize was donated by the West Lorne Womens Institute. Thanks to all the Women's Institute Branches for their generous support and to all other ladies for attending.

The West Elgin Daffodil Auxiliary has recently donated \$5,000 to the Dutton Medical Clinic and also \$5,000 to St. Thomas Elgin General Hospital for a micro-imaging machine.

Wallacetown Women's Institute looking ahead to the future

On Thursday, November 22, the Wallacetown Womens Institute sponsored an evening for the community on "Your Financial Future," held at the South Dunwich Community Hall.

Don Page born and raised in this area, obtained his CGA designation in 1962, moved to Toronto with Midland Securities in '63, in '77 he received "Queen's Jubilee Medal" for honoured service in the community and the accounting profession, joined the Toronto Stock Exchange in 1992 and has chaired a number of position over the years on boards.

When you hear the term, "Bull Market" it means the market is going up, and a "Bear Market" simply means its going down. Over the years it's a known fact that after a tragedy, stocks have increased after one year.

You must feel comfortable with your advisor, ask questions, it's your money they are dealing with, and keep up on all information when they send quarterly reports and don't expect calls from firms wanting to invest your money over the phone.

Jerry Galbraith served on the Canadian Air Force for 32 years in Edmonton, Halifax, Germany, Manitoba and Ontario, he became "Master Warrant Officer then to Captain," retired in 1995, when he completed the Investment Funds Course with the Investor's Group. Jerry opened an office in Dutton in 2000 with his wife Bev. and daughter Leslie.

Making financial planning work for you it takes understanding, re-evaluate periodically, setting goals, know what to ask and what to expect from your planner and be realistic in your expectations.

There are a number of ways of investing, through insurance, mutual funds, RRSP and RRIF's, education, mortgages, tax planning. Have a will or an administrator will be appointed by the court to decide where your money, children, property and investments will go, and if there are no relatives, everything goes to the government.

Also speaking was Penelope McCracken, a Health Insurance Specialist representing Clarica Life Insurance Co. Clarica is a fully Canadian organization and long term care can include services such as Home Care, Home Health Care, Adult Day Care, Respite Care and Facility Care.

In 1920, an average person didn't live past 65 years of age. By the 1980's there were 14 seniors for every 100 workers, over the years our seniors are living longer, into their 80's and up.

Dreams don't always come true, accidents or chronic illness can prevent you from living an independent life. Be aware of the programs available to you in your community and also provided by the government. Your life savings can be quickly depleted.

We need to plan to protect ourselves and our future.
