

## STORMWATER PRIVATE DRAIN CONNECTIONS SIGNBACK FORM

PROJECT: Village of Sparta Road Reconstruction

LIMITS: Sparta Line (Cty Rd. 27) – (from approximately 650 m west of Quaker Road to 70 m east of Quaker Road); and,  
Quaker Road (Cty Rd. 36) – (from approximately 75 m south of South Street to Sparta Line)

### Do you need a new stormwater Private Drain Connection?

During construction, the County of Elgin in partnership with the Municipality of Central Elgin is offering to install a portion of a new stormwater private sewer – also called the private drain connection (PDC) to the property line. This type of PDC is used to manage surface flooding and/or sump pump discharge issues and may be helpful to you.

### Who installs my portion of the PDC from the property line to the building?

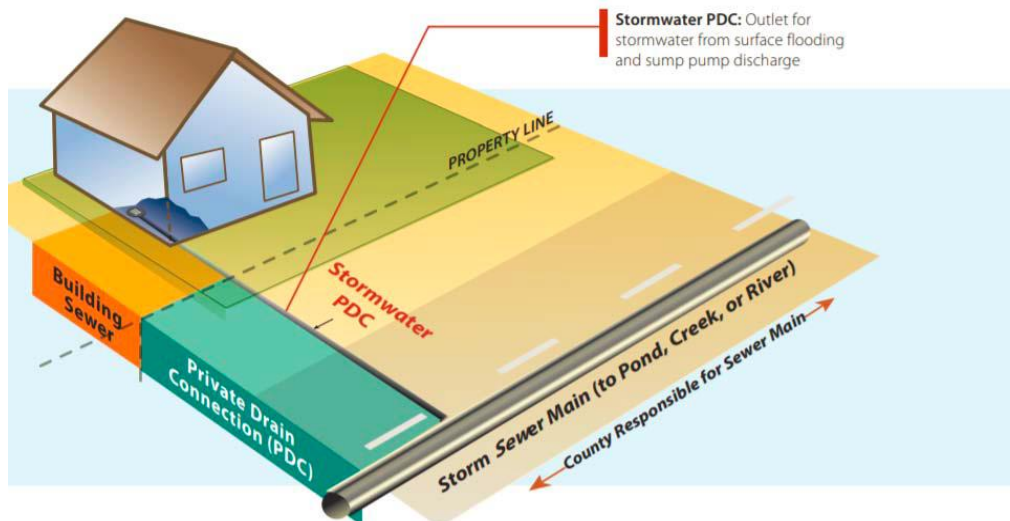

The County of Elgin will only replace the private drain connection and you are responsible to hire a qualified plumber or drainage contractor and pay for the cost of installing the building sewer portion of the pipe.

### As a property owner, you are responsible for the building sewer pipe and any PDC's

When stormwater from surface flooding and/or a sump pump is discharged and leaves your property, it flows through two sections of stormwater sewer pipe to reach the County's storm sewer (which is located under the road). The first section is known as the 'building sewer'. It flows from your house to your property line, where it meets the 'private drain connection', or PDC. The PDC is the portion of sewer which connects with the main sewer. As a property owner, you are responsible for the maintenance and repair of both of these sections of pipe.

### Participation in the program

If you wish to participate in the program, please complete the following form and send it back to us using the postage paid envelope.

This form must be completed by all registered owners of the property or by an officer of the corporation who has the legal authority to bind it.

**\*\*There is no obligation whatsoever to have any PDC extension work performed\*\***

I / WE, \_\_\_\_\_  
(please print name(s) of all registered owners here)

Being the owner(s) of \_\_\_\_\_ Sparta Line, Sparta, Ontario  
\_\_\_\_\_ Quaker Road, Sparta, Ontario  
(please print address of property here)

Request that the County of Elgin:

- Install a new **stormwater** private drain connection to the property limit.

I/We understand that the County of Elgin will make arrangements and carry out the work, as authorized herein, in conjunction with the scheduled reconstruction project. I/We also understand that, should unforeseen circumstances arise, the County of Elgin is not obligated to perform the work.

---

**ALL registered owners (or an officer of the corporation)** of the property are required to sign below:

- 1) Owner's Signature: \_\_\_\_\_, dated \_\_\_\_\_  
(please sign here) (insert date here)
- 2) Owner's Signature: \_\_\_\_\_, dated \_\_\_\_\_  
(please sign here) (insert date here)

**Contact Information** (please complete as thoroughly as possible)

**Primary Contact Person:** \_\_\_\_\_  
(please print name here)

**Phone Number (home):** \_\_\_\_\_

**Phone Number (work):** \_\_\_\_\_

**Phone Number (Mobile):** \_\_\_\_\_

**Email Address:** \_\_\_\_\_

After completing the form, please return it to the Engineering Services Department, County of Elgin, 450 Sunset Drive, St. Thomas, ON N5R 5V1 before March 31, 2019. Should this form not be returned, the County of Elgin will not extend the Private Drain Connection to this property.

The personal information collected on this form is collected under the authority of the County of Elgin and will be used to administer the private drain connection program. Questions about this collection should be addressed to the Director of Engineering Services at 450 Sunset Drive, St. Thomas, ON N5R 5V1. Tel: (519) 631-1460 Ext. 117.
