4. Prospective Donors/Organizers

The Committee reviewed the Prospective Donors spreadsheet (spreadsheet attached). The Committee discussed organizing the spreadsheet into separate tabs for municipalities within and outside of Elgin County. (E.g., Tillsonburg, St. Thomas, etc.) The Committee also discussed organizing the spreadsheet into separate columns for businesses, grant programs, service groups, schools, individual persons, etc. Tanya Noble explained that she compiled her list through the Aylmer & Area Chamber of Commerce business directory and suggested compiling others. (E.g., Port Stanley BIA, St. Thomas Chamber of Commerce, etc.) Tanya will email Megan the list of service groups that come to the Homes to add to the spreadsheet. Michele Harris suggested adding local physicians and service providers in the area to the spreadsheet. Michele also wondered if it would be appropriate to contact previous residents of the Homes family members and will follow-up with Brian Masschaele regarding this.

The Committee discussed creating an editable working document for all members to use moving forward. Megan will continue to email the spreadsheet to the Committee for the time being. Megan will mail the revised spreadsheet to Kay, Muriel, and Ruth Ann. The Chair emphasized how important tracking the spreadsheet will be throughout the campaign.

Methods of approach to fundraising discussed – mailer, phone call, email, one to one, presentations, fundraiser challenges. The Chair suggested creating kits (e.g. “coffee kit”, “presentation kit” and “stand alone kit”) to promote the fundraising campaign within Elgin County. Tanya suggested promoting the campaign at libraries, events, and trade shows in the area. The Committee agreed with this idea. Michele advised that the Economic Development and Tourism Services department may be able to help the Committee with which events or trade shows information could accompany Economic Development & Tourism staff members. Michele will follow-up with Alan Smith regarding this.

Action Items

1. Megan to organize the spreadsheet into separate columns and tabs regarding the items discussed above, and email and mail revised spreadsheet to Committee members.
2. Tanya to email Megan the list of service groups that come to the Homes to add to the spreadsheet.
3. Megan to add Elgin County business directory to the spreadsheet.

4. Michele to follow up with Brian Masschaele and Alan Smith regarding items discussed above.
5. Fiona to contact St. Thomas Chamber of Commerce regarding their business directory.

5. Member Recruitment Update

The Chair deferred this item to the March 11, 2020 meeting. Julie Gonyou will create a draft letter outlining the Terms of Reference for additional representatives to join the Committee.

6. Items List & Cost Update – Fundraising Spreadsheet

The Committee reviewed the updated Fundraising spreadsheet regarding items that have significant, long term operational cost implications, such as software license subscriptions. Michele advised the Committee that these items were in blue. Michele also advised that the price adjustments were in red. Michele to finalize the spreadsheet and forward to Megan who will send out the updated Fundraising spreadsheet with the minutes. The Committee suggested additional potential items to be added to the spreadsheet, including weighted blankets and possible swing chairs.
