Subject: Village of Sparta Road Reconstruction - Week 20 Progress Summary

Good Afternoon Sparta Merchants and Residents,

This past week Bre-Ex Construction staff and their subcontractors paved the remaining two driveway aprons, cleaned up their laydown site in the Community Hall parking lot, completed sod installation along Quaker Road, and removed all construction and detour signage. While we continue to await delivery of the new streetlight poles and fixtures still impacted by COVID, Bre-Ex staff will continue focusing on correcting all noted deficiencies over the coming weeks, and will continue watering the new sod along Quaker Road.

Have a wonderful weekend!

Brian Lima, P.Eng.
