REPORT TO PSB BOARD

FROM: Jim Bundschuh, Director of Financial

Services

DATE: August 21, 2020

SUBJECT: Insurance Renewal

RECOMMENDATIONS:

THAT the August 21, 2020, report titled, Insurance Renewal, submitted by the Director of Financial Services, be received and filed for information; and,

THAT a policy/provider be chosen for the new insurance term beginning September 15, 2020.

INTRODUCTION:

The current Frank Cowan policy expires on September 15, 2020. The cost of the outgoing policy was \$6,375 and provided \$10 million in liability coverage.

DISCUSSION:

Frank Cowan has offered a new policy with an increase in cost of 8.4% equating to a cost of \$6,909 exclusive of HST, with the no change in liability coverage. JLT has offered a policy with a \$25 million liability limit at a cost of \$7800. Although the \$10 million liability limit has been considered adequate, the Board may wish to consider an increase in the limit. Frank Cowan is investigating the cost of the higher limit, and although not available at the time of writing of this report, they will have an option available for consideration at the meeting.

FINANCIAL IMPLICATIONS:

The 2020 budget for insurance exclusive of HST is \$6,823. Both insurance policy options will result in a cost overrun for the insurance line item; however, given funds available in other line items, a cost overrun in the overall PSB budget is highly unlikely.

ALIGNMENT WITH STRATEGIC PRIORITIES:

Serving Elgin	Growing Elgin	Investing in Elgin				
 ☑ Ensuring alignment of current programs and services with community need. ☐ Exploring different ways of addressing community need. ☐ Engaging with our community and other stakeholders. 	 □ Planning for and facilitating commercial, industrial, residential, and agricultural growth. □ Fostering a healthy environment. □ Enhancing quality of place. 	 ☑ Ensuring we have the necessary tools, resources, and infrastructure to deliver programs and services now and in the future. ☐ Delivering mandated programs and services efficiently and effectively. 				
LOCAL MUNICIPAL PARTNER IMPACT:						
None.						
COMMUNICATION REQUIR	EMENTS:					
None.						
CONCLUSION:						
The Board will need to determine their preferred insurance provider/policy for the insurance renewal due September 15, 2020. Although all the options are above the amount set forth in the budget, the overall cost for the PSB is still expected to be within the overall 2020 budget.						
All of which is Respectfully Submitted

2020 General Insurance ProgramELGIN GROUP POLICE SERVICES BOARD Renewal Report for the Policy Term September 15, 2020 to September 15, 2021 Prepared by: Aran Myers Account Manager 12 August 2020 Ref 21748/tg 75 Main Street North Princeton, ON N0J 1V0 1-800-265-4000 frankcowan.com

ABOUT FRANK COWAN COMPANY

Frank Cowan Company is a leader in providing specialized insurance programs, including risk management and claims services to municipalities, healthcare, education, community, children's and social service organizations across Canada. Proven industry knowledge, gained through over nine decades of partnering with insurance companies and independent brokers, gives Frank Cowan Company the ability to effectively manage the necessary risk, advisory and claims services for both standard and complex issues.

Frank Cowan Company is a Managing General Agent (MGA) with the authority to write and service business on behalf of strategic partners who share our commitment and dedication to protecting specialized organizations. Because our partners are long-term participants on our program, they understand the nature of fluctuating market conditions and complex claims and are prepared to stay the course.

CANADIAN OWNED COMPANY WITH 90+ YEARS OF CONTINUOUS OPERATION

THE ADVANTAGE OF A MANAGING GENERAL AGENT

The MGA model is different than a traditional broker/insurer arrangement in that an MGA provides specialized expertise in a specific, niche area of business. As an MGA we also offer clients additional and helpful services in the area of risk management, claims and underwriting. And unlike the reciprocal model, a policy issued by an MGA is a full risk transfer vehicle not subject to retroactive assessments but rather a fixed term and premium.

We invite you to work with a partner who is focused on providing a complete insurance program specific to your organization that includes complimentary value-added services that help drive down the cost of claims and innovative first to market products and enhancements. You will receive personalized service and expertise from a full-service, local and in-house team of risk management, claims, marketing and underwriting professionals.

As a trusted business partner, we believe in participating in and advocating for the causes that affect our clients. For this reason, we affiliate with and support key provincial and national associations. In order for Frank Cowan Company to be effective in serving you, we, as an MGA, believe in fully understanding your needs, concerns and direction. Our support is delivered through thought leadership, financial resources, advocacy, services, education and more.

RISK MANAGEMENT SERVICES

We are the leader in specialized risk management and place emphasis on helping your organization develop a solid plan to minimize exposure before potential incidents occur. Risk management is built into our offerings for all clients, fully integrated into every insurance program. Our risk management team is comprised of analysts, inspectors and engineers who use their expertise to help mitigate risk. We do everything we can to minimize your exposure before potential incidents occur. This includes providing education, road reviews, fleet reviews, contract analysis and property inspections.

CLAIMS MANAGEMENT SERVICES

Our in-house team of experts has the depth of knowledge, experience and commitment to manage the complicated details of claims that your organization may experience. You deal with the public often in sensitive instances where serious accusations can be made. Your claims are often long-tail in nature and can take years to settle. Some claims aren't filed until years after the occurrence or accident. You want a team of professionals on your side that will vigorously defend your reputation. We understand your risks and your exposures and have maintained a long-term commitment to understanding the complex issues your organization may face so that we can better service your unique claims requirements.

Highlights of coverage follow providing a summary of coverage. Highlight pages may include description of optional coverages.

GENERAL LIABILITY HIGHLIGHTS

OVERVIEW

- Insures against liability imposed by law for damages because of bodily injury or death to any person
 resulting from the operations of the Corporation and for damages to or destruction of property of others
 caused by an accident.
- Insures against liability imposed by law for damages because of Personal Injury sustained by any person caused by false arrest, detention or imprisonment, malicious prosecution, libel, slander, defamation of character, humiliation, invasion of privacy, wrongful eviction, wrongful entry and discrimination.

FEATURES

- No annual aggregate limits.
- Bodily Injury, Property Damage, Products & Completed Operations Liability.
- Included as Insured's are Board Members, Employees, Volunteers while performing their duties as such.
- Blanket Tenants' Legal Liability included.
- Abuse Liability Extension (Occurrence Form, Aggregate Limit).
- Advertisers Liability included.
- Employers Liability included.
- Forest Fire Expense.
- Medical Payments.
- Environmental Liability Exclusion.
- If Applicable, refer to the attached Additional Insured(s) form.

PUBLIC ENTITY ERRORS AND OMISSIONS LIABILITY COVERAGE HIGHLIGHTS

PUBLIC ENTITY ERRORS AND OMISSIONS INSURANCE

Public Entity Errors and Omissions Insurance (E&O) Coverage protects risks from civil litigation caused by allegations of professional negligence or failure to perform professional duties. Errors and Omissions focuses on providing coverage when there is financial loss to a third party (rather than bodily injury or property damage as general liability does).

FEATURES

Limits Typically limits follow that of our Liability. We have the availability to offer up to \$50,000,000.

Defence CostsOver and above the Limit of Insurance. Whether a potential claim is baseless, or not,

mounting legal expense can have serious monetary consequences for an Insured.

No Annual Aggregate With higher out of court settlements and increased damage awards, large or even a series of

small claims can quickly erode an annual aggregate limit.

Claims Made Policy Pays for claims occurring and reported during the policy period. Our policy provides

retroactive coverage (no date need be specified) and stipulates that a claim is first known only

when written notice is first received.

Claims Definition The definition of claim also includes arbitration, mediation or alternative dispute resolution

proceedings.

Insured Definition Includes Councilors, Statutory Officers, Council Committees, Firefighters, Employees and

Volunteers.

COVERAGE IS PROVIDED FOR UNIQUE EXPOSURES

Insurance No exclusion for failure to procure or maintain adequate insurance bonds or coverage (e.g.

construction projects).

Benefit Plans Errors or Omissions in administering Employee Benefit Plans are covered.

Misrepresentations Municipal governments are required to provide information with respect to local matters and

must ensure the information which is provided is accurate, true and not misleading. Our

definition of a Wrongful Act covers misstatements or misleading statements.

Other Specialists and

Services

Covers errors or omissions when they are rendered in connection with operations that are typical of public sector such as those of building inspections, zoning, planning, developing or

regulating by-laws. Officials and employees acting in good faith are often times the subject of

lawsuits.

NON-OWNED AUTOMOBILE COVERAGE HIGHLIGHTS

OVERVIEW

Non-Owned and hired automobile liability insurance covers bodily injury and property damage caused by a vehicle not owned by the Insured (including rented or borrowed vehicles). Coverage is provided for Third Party Liability arising from the use or operation of any automobile not owned or licensed in the name of the Insured if it results in bodily injury (including death), property damage (if the property was not in possession of the Insured) to a third party.

FEATURES

SEF No. 96 Contractual Liability:

• When renting a vehicle you engage in a contractual relationship with the rental company where you assume liability for the operation of the automobile. It is therefore important that contractual coverage is added to the policy by way of an endorsement known as SEF (Standard Endorsement Form) No. 96. Contractual Liability coverage is automatically provided for all written contractual agreements with our Non-Owned Automobile coverage.

SEF No. 99 Long Term Lease Exclusion:

• When Contractual Liability is provided under the policy there is also an exclusion for Long Term Leased vehicles SEF No. 99. This excludes coverage for vehicles hired or leased for longer than a certain period such as 30 days.

Territory:

The Non-Owned Automobile policy provides coverage while in Canada and United States.

Termination Clause:

• The standard termination clause has been amended in that the Insured may still provide notice of cancellation at any time, however, the Insurer must provide ninety days' notice of cancellation to the Insured rather than the standard 15 or 30 days.

SEF No. 94 Legal Liability (Physical Damage) to a Hired/Rented Automobile:

• We automatically provide coverage for damage to a vehicle that you have hired or rented. Coverage is provided via endorsement SEF No. 94. We automatically provide 'All Perils' coverage. The limit of coverage will vary

ADDITIONAL INFORMATION

Courts have repeatedly held that when an automobile is used on a person's behalf or under a person's direction, that person (or entity) has a responsibility for the operation of the automobile and may be held liable for damages in the event of an accident even though he or she is not the owner or driver of the vehicle. This common law principle has been supported by a number of court decisions making an employer responsible for the use and operation of an automobile when an employee is operating an automobile (not owned by the employer) while being used for the employer's business.

CRIME COVERAGE HIGHLIGHTS

OVERVIEW

Our crime coverage is one of the broadest and most flexible in the industry. An Insured may elect to purchase any or all of the Standard Crime Coverage we have available. In addition to the Standard crime coverage the Insured may elect to also purchase any of our Optional Coverages.

Optional Crime Coverage Includes:

- Extortion Coverage (Threats to persons and property).
- Pension or Employment Benefit Plan coverage.
- Residential Trust Fund Coverage.
- Credit Card Coverage.
- Client Coverage (Third Party Bond).
- Fraudulently Induced Transfer Coverage (otherwise known as Social Engineering). Separate Coverage Highlights Sheet for Fraudulently Induced Transfer Coverage is available.

For more information on our Optional Coverage refer to our Crime Coverage Options Highlight Sheet.

FEATURES OF OUR STANDARD CRIME COVERAGE

Below is a brief description of the Standard Crime Coverage an Insured may elect to purchase:

Employee Dishonesty - Form A Commercial Blanket Bond

 This protects the employer from financial loss due to the fraudulent activities of an employee or group of employees. The loss can be the result of theft of money, securities or other property belonging to the employer.

Loss Inside and Loss Outside the Premises (Broad Form Money and Securities)

 Covers loss by theft, disappearance, or destruction of the Insured's money and securities inside the Insured's premises (or Insured's bank's premises) as well as outside the Insured's premises while in the custody of a messenger.

Money Orders and Counterfeit Paper Currency

Covers Loss

- Due to acceptance of a money order that was issued (or is purported to have been issued) by a post office or express company; and
- From the acceptance of counterfeit paper currency of Canada or the United States.

Forgery and Alteration

 Covers loss due to dishonesty from a forgery or alteration to a financial instrument (cheque, draft or promissory note).

Audit Expense

• Coverage for the expenses that are incurred by the Insured for external auditors to review their books in order to establish the amount of a loss. This is a separate limit of insurance.

Computer and Transfer Fraud (Including Voice Computer Toll Fraud)

- Loss caused when money, securities, or other property is transferred because of a fraudulent computer entry or change. The entry or change must be within a computer system that the Insured owns (and on their premises).
- Loss caused when money or securities are transferred, paid, or delivered from the Insured's account at a
 financial institution based on fraudulent instructions (at the financial institutions premises).
- Voice computer toll fraud covers the cost of long distance calls if caused by the fraudulent use of an account code or a system password.

Frank Cowan Company offers a Comprehensive Insurance Program to meet your needs.

In addition to "Your Insurance Coverage", enhancements to your coverage are available as outlined under the Program Options page.

Highlights of coverage follow providing a brief description of these options.

CRIME COVERAGE OPTIONS

EXTORTION COVERAGE (THREATS TO PERSONS AND THREATS TO PROPERTY)

Coverage for both 'Threats to a Person' and 'Threats to Property' are sold together with a separate limit of insurance applying to each.

Threats to Person:

Coverage responds when a threat is communicated to the Insured to do bodily harm to a director, officer or
partner of the Insured (or a relative) when these persons are being held captive and the captivity has taken
place within Canada or the U.S.A.

Threats to Property:

• Coverage responds when a threat is communicated to the Insured to do damage to the premises or to property of the Insured is located in Canada or the U.S.A.

PENSION OR EMPLOYEE BENEFIT PLAN COVERAGE

Coverage is for loss resulting directly from a dishonest or fraudulent act committed by a fiduciary (a person who holds a position of trust) in administering a pension or employee benefit plan. Coverage is provided whether the fiduciary is acting alone or in collusion with others. Fiduciary relationships may be created by statute however; individuals may also be deemed fiduciaries under common law.

RESIDENTIAL TRUST FUND COVERAGE (FOR SELECT CLASSES OF BUSINESS ONLY)

- Covers loss of property (money, securities or other property) belonging to a resident when it is held in trust
 by a residential facility. Coverage is for loss directly attributable to fraudulent act(s) committed by an
 employee of the facility whether the employee was acting alone or in collusion with others.
- A residential facility comprises a wide range of facilities and includes any residential facility operated for the purpose of supervisory, personal or nursing care for residents.
- Coverage stipulates that the 'resident' must be a person who is unable to care for themselves (this could be due to age, infirmity, mental or physical disability).
- When a resident is legally related to the operator of the residential facility, coverage is specifically excluded.

CREDIT CARD COVERAGE

Coverage is for loss from a third party altering or forging a written instruction in connection with a corporate credit card issued to an employee, officer or partner.

CLIENT COVERAGE (THIRD PARTY BOND)

Coverage is extended to provide for theft of a clients' property by an employee (or employees) of the Insured.

FRAUDULENTLY INDUCED TRANSFER COVERAGE

Coverage is provided when an Insured under the policy has been intentionally mislead by someone claiming to be a vendor, client or another employee of the company and the Insured has transferred, paid or delivered money or securities to this third party.

FRAUDULENTLY INDUCED TRANSFER COVERAGE HIGHLIGHTS (SOCIAL ENGINEERING)

OVERVIEW

Fraud today has become much more sophisticated and complex with Fraudulently Induced Transfer Crimes (otherwise known as Social Engineering) trending in today's marketplace. In response to this trend we now offer a Fraudulently Induced Transfer Endorsement as part of our suite of Crime Coverage.

These types of crimes are usually a targeted approach where criminals are after something definite from the target, either money (usually in the form of a wire transfer) or information (such as a list of vendors, routing numbers, etc.). Often times communications are sent to an employee (most often via email, telephone or a combination of the two), which are doctored to appear as if they are sent by a senior officer of the company or by one of its customers or vendors. Essentially criminals prey on human and procedural vulnerabilities. The standard crime coverage does not respond to these types of losses as an employee of the organization has voluntarily parted with the money or securities and would be considered an active participant in the loss.

Example 1

Instructions to an employee supposedly coming from a vendor or customer are often accomplished by informing the employee that they have changed banks and require the company to use the new banking information for future payments.

Example 2

Instructions to an employee supposedly coming from an internal source (e.g. senior staff) to bypass in-house safeguards and redundancies, criminals apply pressure by imposing a time constraint, demanding secrecy or simply flattering the ego of the target by including him or her "in" on an important business transaction.

Fraudulently Induced Transfer coverage is an optional endorsement that may be purchased. Coverage is subject to a satisfactory supplementary application being completed.

FRAUDULENTLY INDUCED TRANSFER LOSSES, CYBER LOSSES AND CURRENT CRIME POLICIES

Even though this fraud often involves emails and wire transfers, cyber policies are not designed to cover them:

- Cyber policies cover losses that result from unauthorized data breaches or system failures. Fraudulently Induced
 Transfer actually depends on these systems working correctly in order to communicate with an organization's
 employees and transfer information or funds.
- Crime policies cover losses that result from theft, fraud or deception. As the underlying cause of a loss is 'fraud', a
 company would claim a loss under its crime policy rather than its cyber policy. Without this endorsement, coverage
 would be denied under a crime policy due to the Voluntary Parting Exclusion.

FRAUDULENTLY INDUCED TRANSFER ENDORSEMENT FEATURES

- Coverage is provided when an Insured under the policy has been intentionally mislead by someone claiming to be a vendor, client or another employee of the company and the Insured (employee) has transferred, paid or delivered money or securities to this third party.
- Fraudulently Induced Transfer is defined as: The intentional misleading of an employee, through misrepresentation of a material fact which is relied upon by an employee, believing it to be genuine to voluntarily transfer funds or valuable information to an unintended third party.

LIMITS AND DEDUCTIBLE

The Fraudulently Induced Transfer Endorsement is subject to:

- Separate Limits of Insurance (both an Occurrence and Aggregate);
- A separate deductible;
- Limits ranging from \$10,000 \$100,000.

CRITICAL ILLNESS COVERAGE HIGHLIGHTS

FEATURES

- \$10,000 Coverage (each applicant).
- Coverage up to 75 years of age.

- Illnesses as a result of pregnancy.

POLICY LIMITATIONS

- · Coverage for pre-existing conditions expressly excluded.
- Critical Illness benefit is only payable once, regardless of the number of critical illnesses and Insured claims.
- When a Critical Illness benefit is paid to an Insured Person, they are no longer insurable and coverage ceases.

ADDITIONAL INFORMATION

• Coverage is only available when Board Members' Accidental Death and Dismemberment Coverage is purchased.

APPLICANT APPROVAL

Coverage is subject to a satisfactory application and underwriting approval for each Applicant.

^{*} Coverage is subject to a satisfactory application and underwriting approval for each Applicant.

Remotely Piloted Aircraft Systems (UAV) COVERAGE HIGHLIGHTS

OVERVIEW

Transport Canada is responsible for regulating UAV's. Their terminology for UAV's (Unmanned Aerial Vehicles) has changed and these are now considered to be Remotely Piloted Aircraft Systems (RPAS) rather than UAV's (Unmanned Aerial Vehicles). Regulations regarding operator licensing has also changed. Liability or property policies can be enhanced with endorsements to cover Remotely Piloted Aircraft Systems (RPAS) or UAV's. Coverage may be available when operators are in compliance with current regulations. Coverage offered is intended to close the gap in liability and property insurance because of aviation exclusions.

PROPERTY COVERAGE

Property: (Optional Coverage)

- All Risk Coverage for the Remotely Piloted Aircraft Systems (RPAS) including all permanently attached equipment and Ground or Operating Equipment (including any detachable equipment such as cameras etc).
- Coverage includes electrical and mechanical breakdown.
- Basis of settlement options include: Replacement Cost, Valued Amount or Actual Cash Value.

In addition to the standard exclusions within the Property All Risk Wording, the following exclusions also apply:

- Those used for military purposes, personal or recreational use.
- Those being rented to, leased to or lent to others.
- Mysterious disappearance after commencement of a flight unless Remotely Piloted Aircraft Systems RPAS (UAV) remains unrecovered for 30 days.
- If they are not in compliance with the manufacturer's specifications (e.g. the weight payload) is exceeded, when operated in wind at a higher speed than recommended etc.).
- Remotely Piloted Aircraft Systems RPAS (UAV's) must not exceed 500 meters in altitude or the range of 1km from the operator.
- Hijacking or unauthorized control of the Remotely Piloted Aircraft Systems -RPAS (UAV) or Equipment.
- Failure to comply with any statute, permit, rule, regulation or any requirement for qualification to operate the Remotely Piloted Aircraft Systems RPAS (UAV) or the equipment.
- Criminal or dishonest acts, infidelity of employees, or theft from an unlocked vehicle.
- Coverage is limited to Canada only.

LIABILITY COVERAGE

- While Transport Canada mandates a minimum amount of insurance (\$100,000), coverage will follow the liability limit up to \$15,000,000. Higher limits may be available.
- We will extend liability to Remotely Piloted Aircraft Systems (RPAS).
- Having a range of up to a maximum of 1km from the operator.
- With an altitude of 500 metres or less.
- Operators meeting all Transport Canada regulations.
- Not being used for military purposes, personal or recreational use.
- Coverage is limited to Canada only.

IMPORTANT INFORMATION

While our endorsements are primarily designed to offer coverage for Remotely Piloted Aircraft Systems - RPAS (UAV's) 25kg or less, we may be able to offer coverage for those falling outside of these parameters through our general aviation market.

ACTIVE ASSAILANT AND ASSOCIATED

Frank Cowan Company has partnered with XL Catlin, a market leader in writing Terrorism Risk, to offer a suite of Terrorism and Associated Coverages. You have the option to select one or any combination of the following coverages:

ACTIVE ASSAILANT EVENT INSURANCE

An Active Assailant Event is a premeditated malicious physical attack, by an Active Assailant (who is physically present) armed with a hand-held weapon that causes direct physical loss and/or bodily injury or death. Coverage responds when three (3) or more persons that are physically present during the attack are affected.

The solution is designed to help organizations with the financial impacts of Active Assailant Events. Coverage can Our product is triggered by property damage or be triggered by property damage or bodily injury. Additional contamination resulting from the release of CBRN material special coverage for:

- Public Relations Expenses
- of the Insured)
- Counselling Expenses (for the Insured and Family Members)
- Medical Expenses
- Job Retraining Expenses (for Employees)
- Employee Recruitment Expenses (for the Insured)
- Security Expenses (expenses for a security consultant)

Maximum Limits:

\$10,000,000 any one occurrence and in the aggregate

CHEMICAL, BIOLOGICAL, RADIOLOGICAL AND NUCLEAR (CBRN) INSURANCE

The use of Chemical, Biological, Radiological And Nuclear (CBRN) weapons is a growing concern worldwide. Deployment of these weapons would have a devastating impact, potentially causing damage and interruption to businesses located a significant distance away from the CBRN release. These exposures are excluded under the standard property policies.

with malicious intent This insurance covers Physical Loss or Damage (including Demolition, Decontamination and Relocation Expenses (for the Insured or Employee Prohibition of Access Orders, Blast Damage) and Business interruption

Maximum Limits:

\$25,000,000 any one occurrence and in the aggregate

TERRORISM PROPERTY INSURANCE

Terrorism perils are dynamic in nature, the causes are sometimes unclear but the impact is significant. The risk is evolving, with a diverse range of groups; both foreign and home-grown, capable of launching terrorist attacks. The nature of such perils means they are board-level issues. and must be on any corporate risk register. Our policies cover physical damage to property, business interruption and extra expenses following property damage.

This product offers protection from potentially devastating losses, both domestic and abroad that can result from either an act of Terrorism or an Act of Sabotage.

Coverage is very broad and uniquely tailored. This policy provides Physical Loss or Damage and Business Interruption caused by Acts of Terrorism or Acts or Sabotage.

Maximum Limits:

\$50,000,000 any one occurrence and in the aggregate \$25,000,000 any one occurrence and in the aggregate

TERRORISM LIABILITY INSURANCE

Terrorism Liability Insurance provides coverage for financial costs against claims for damages by third parties who are injured in a terrorist attack. Coverage also extends to third party property damage. This is key because these exposures are usually excluded under liability policies.

An Act of Terrorism is defined as an act committed for political, religious or ideological purposes including the intention to influence any government and/or to put the public in fear for such purposes.

Maximum Limits:

Liability Additional Insured(s)

- 1. HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO AS REPRESENTED BY THE MINISTER OF COMMUNITY SAFETY AND CORRECTIONAL SERVICES, but only with respect to their Funding Agreement with the Named Insured for their R.I.D.E. Program.

REPORT TO THE ELGIN GROUP POLICE SERVICES BOARD

From: Julie Gonyou, Secretary/Administrator

Carolyn Krahn, Legislative Coordinator, County of Elgin

Date: August 19th, 2020

Subject: Community Safety and Well-Being Update

RECOMMENDATION:

THAT the August 19th, 2020, report titled, Community Safety and Well-Being Update, submitted by the Secretary/Administrator, be received and filed for information.

INTRODUCTION:

This report provides a summary of the progress on the Aylmer-Elgin-St. Thomas Community Safety Well-Being plan.

DISCUSSION:

As of January 1, 2019, the Province has legislated municipalities under the *Police Services Act* to develop and adopt Community Safety and Well-Being (CSWB) plans. The Ministry of the Solicitor General has extended the original timeline beyond January 1, 2021; however, the new deadline is not known. The planning process is being led by a Coordinating Committee comprised of representatives from the City of St. Thomas, the Town of Aylmer, the County of Elgin, and the Elgin Group Police Services Board. A consultant, Jennifer Kirkham, President and CEO of Mischevious Cat Productions Inc. has been hired to engage the community and guide the planning and development of the CSWB plan.

On May 21, 2020, a pre-recorded webinar was sent out to representatives from police and local service providers including health/mental health, education, community/social services and children/youth services. The webinar introduced the CSWB project, invited all interested individuals to join an Advisory Committee, and provided a link to a survey for the Advisory Committee to fill out to help establish the priority/risk areas for Elgin.

Jennifer Kirkham analysed and collated the data from these surveys and presented the results to the Coordinating Committee on July 23, 2020. Based on her research and the results from the survey, Jennifer Kirkham compiled and the Coordinating Committee reviewed a Data Package. The Package is available on the CSWB website:

https://www.elgincounty.ca/wp-content/uploads/2020/08/Aylmer-Elgin-St-Thomas-CSWB-Plan-Data-Package-FINAL.pdf.

54

Consultation with the Advisory Committee members will be ongoing throughout the development of the plan. One of the tools we are using to gather information and encourage input from the Advisory Committee is an *online discussion forum*. The first topic on the forum seeks feedback on the top issues to include in the CSWB plan. The next topic will consider community data and will focus more specifically on issues and challenges in the top priorities.

On July 23, 2020, the Coordinating Committee agreed to conduct a survey with the general public. The survey is intended to gather the general public's perceptions about community safety and well-being. We have asked all community partners and agencies to help share the survey via social media channels and within their networks.

We have had a good response to the online survey so far and have ensured that hard copies of the survey can be picked up and dropped off at the following locations:

- Elgin County Library Branches
- County of Elgin Administrative Building
- Town of Aylmer Municipal Office
- St. Thomas Public Library (pending)

The Committee has promoted the survey in a number of ways including: advertising in local papers and radio; encouraging local municipal partners to promote the survey through their social media channels; encouraging Advisory Committee members to promote the survey using social medial channels; and ensuring hard copies are available at a number of locations.

CONCLUSION:

For updates on the CSWB planning process, please visit the dedicated webpage that has been set up to support this community initiative: https://www.elgincounty.ca/cswb/. The webpage includes a video that introduces the plan and our approach to developing it. You can access the video at: https://www.elgincounty.ca/cswb/cswb-projects/.

If any members of the community have questions about how they can get involved in the CSWB planning process, please encourage them to call the County (519-631-1460 ext. 156), access the CSWB webpage, or send an email to cswb@elgin.ca.

All of which is Respectfully Submitted

Re: Evaluation of Deer Crossing Warning Signs on County Roads

Dear Chair Martyn,

At the request of the Elgin Group Police Services Board, the County of Elgin undertook an investigation of deer crossing signage on County roads as a result of an increase in deer/vehicular collisions in the first quarter of 2020. As a result of this investigation, Council passed the following resolution at its meeting held on August 11, 2020:

THAT additional deer crossing warning signs be installed on County roads as detailed in the report titled "Deer Crossing Warning Signs Evaluation", and;

THAT the project's estimated cost of \$22,000 be funded by the Road Sign Replacement project (60902003), and;

THAT the County post the OPP's public awareness campaign regarding deer collisions in the fall annually on the County's website and social media pages.

A copy of the report titled "Deer Crossing Warning Signs Evaluation" is attached for reference.

If you have any questions please contact Brian Lima, Director of Engineering Services (blima@elgin.ca).

Sincerely,

Dave Mennill, Warden

REPORT TO COUNTY COUNCIL

DATE: August 5, 2020

SUBJECT: Deer Crossing Warning Signs Evaluation

RECOMMENDATIONS:

THAT additional deer crossing warning signs be installed on County roads as detailed in the report titled "Deer Crossing Warning Signs Evaluation", and;

THAT the project's estimated cost of \$22,000 be funded by the Road Sign Replacement project (60902003), and;

THAT the County post the OPP's public awareness campaign regarding deer collisions in the fall annually on the County's website and social media pages.

INTRODUCTION:

The Elgin Group Police Services Board has requested that an evaluation of existing deer crossing warning signs be undertaken by the County's Engineering Services Department in cooperation with Elgin OPP. This report shall discuss existing deer crossing warning signage along County roads and recommend updated signage based upon recent collision data.

DISCUSSION:

County Council has directed staff to evaluate existing deer crossing warning signage along County roads in cooperation with Elgin OPP. The guidelines for Deer crossing warning signage are outlined in the Ontario Traffic Manual – Book 6, Warning Signs and qualifying roads sections require at least one collision annually for at least five consecutive years in road sections between 1.5km and 8km in length. Road sections less than 1.5km require a minimum of 4 collisions annually.

In order to determine suitable placement of warning signage, a deer collision heat map for the previous five years (2015-2020 up to the month of May) has been created and is attached to this report for Council's reference. Also depicted on the map are existing

deer crossing warning signage (54 in total shown in yellow) and enhanced deer crossing warning signage (11 locations in total shown in red).

A review of the recent five-year deer collision experience and existing signage has determined that additional deer warning signage (OTM code Wc-111) is required at 47 locations in order to capture qualifying areas along County roads. The second attached map titled, "Proposed Deer Signage Locations", depicts the locations of the additional recommended warning signs to be installed.

Enhanced Signage Locations

In 2003 a working group comprised of the OPP, Ministry of Natural Resources, County staff and a local community group met to find creative solutions to increase the awareness of deer collisions on County roads. As a result, County Council endorsed a plan to install enhanced warning signage in 11 areas along County roads that had experienced the greatest number of deer collisions in the previous five years (1998 – 2002). In these locations, custom deer warning signs are installed with flashing amber beacons annually during the months of October to January to warn motorists when deer are most active in an attempt to reduce collisions. Local municipalities assist with the installation and removal of the signage annually and this activity is explicitly identified in the Road Maintenance Agreement.

A review of the most recent five-year deer collision experience on County roads confirms many of these highest collision areas continue to exist in similar locations, however some of the locations could be removed and some should be added to more accurately identify the current high collision prone areas. Collision data obtained through the MTO's Authorized Requester Information System (ARIS) today provides an accurate geographical referenced location of the collision whereas previous reporting relied upon a written description on the collision report. The locations along County roads with the highest density of collisions between 2015 and 2020, are shown on the attached map titled, "Proposed Deer Signage Locations", and listed in the following table:

Enhanced Deer Crossing Warning Sign Locations

Location	County Road	From	То
1	Talbot Line (CR 3)	West of Furnvial Road	East of Dunborough Road
2	Pioneer Line (CR 2)	West of Dunborough Road	East of Coyne Road
3	Fingal Line (CR 16)	West of Iona Road	East of Lakeview Line
4	Talbot Line (CR 3)	East of Willey Road	East of Houghton Road
5	John Wise Line (CR 45)	South of Fingal Line	West of Centennial Road
6	Sunset Drive (CR 4)	North of Warren Street	North of John Wise Line
7	Ron McNeil Line (CR 52)	East of Wellington Road	West of Highbury Avenue
8	Highbury Avenue (CR 30)	North of Ron McNeil Line	South of Carr Road
9	Belmont Road (CR 74)	South of Borden Avenue	North of Talbot Line
10	John Wise Line (CR 45)	East of Quaker Road	East of Springwater Road
11	Heritage Line (CR 38)	East of Talbot Line	West of Sandytown Road

It is proposed that each of these identified 11 locations receive a larger, 120cm x 120cm Wc-1110 sign (a 90cm x 90cm sign is the largest standard sign) at the limits identified in the table above and be in place permanently, not only during the months of October to January as previously done, since deer collisions can occur at any time of year. Additionally, during the months of October to January, a yellow battery-operated LED beacon shall be installed on these signs in order to increase their awareness to motorists when deer are typically most active.

Cooperation with Elgin OPP and Public Communication

Staff has discussed deer collisions, signage and public communication strategies with Elgin OPP. Collision data provided by the OPP is consistent with collision data obtained from ARIS and used by the County. The OPP is supportive of additional and enhanced signage and also noted the importance of public awareness. In this regard, the OPP normally issues a fall press release with respect to deer collisions and County staff have proposed to post this messaging on the County's website and through social media at the same time in a collaboration intended to increase public awareness.

FINANCIAL IMPLICATIONS:

The supply and installation of 22 (11 locations) enhanced deer crossing warning signs is estimated to cost \$9,000. The supply and installation of 47 deer crossing warning signs is estimated to cost \$13,000. The total project cost of \$22,000 can be funded by the Road Sign Replacement project (60902003).

ALIGNMENT WITH STRATEGIC PRIORITIES:

Serving Elgin	Growing Elgin	Investing in Elgin
⊠ Ensuring alignment of current programs and services with community need.	☐ Planning for and facilitating commercial, industrial, residential, and agricultural growth.	☐ Ensuring we have the necessary tools, resources, and infrastructure to deliver programs and services
 ☑ Exploring different ways of addressing community need. ☑ Engaging with our community and other stakeholders. 	☐ Fostering a healthy environment.☐ Enhancing quality of place.	now and in the future. □ Delivering mandated programs and services efficiently and effectively.

LOCAL MUNICIPAL PARTNER IMPACT:

Enhanced deer crossing warning sign locations will require a battery-operated beacon be installed at the beginning of October and removed at the end of January annually. The existing Road Maintenance Agreement requires the LMPs to remove deer warning signage and beacons and install general messaging signs annually. The proposed enhanced signage will be permanent with exception of the beacons.

COMMUNICATION REQUIREMENTS:

In partnership with Elgin OPP, the County will mirror press release messaging related to deer collisions in the fall, on the County's website and social media pages.

CONCLUSION:

Staff have completed an evaluation of existing deer crossing warning signage on County roads and have had discussions with Elgin OPP. A deer collision heat map has been created for the last five years to identify collision density areas to determine appropriate warning signage placement per the Ontario Traffic Manual guidelines. In addition to regular deer crossing warning signs, eleven locations have been identified with the highest deer collision density over the past five years. It is proposed that these locations receive larger deer crossing warning signage and that during the months of October to January annually a yellow flashing LED beacon be installed on the sign post to enhance warning messaging to motorists during the time when deer are typically

most active. The cost of the installed signage is estimated at \$22,000 and can be funded by the Road Sign Replacement project (60902003). It is also proposed that County staff support the OPP's fall press release campaign regarding deer collisions by posting on the County's website and media pages to increase public awareness.

All of which is Respectfully Submitted

MEMORANDUM TO: Municipal CAOs

SUBJECT: Court Security and Prisoner Transportation

The Ministry of the Solicitor General (ministry) is committed to keeping communities across Ontario safe, supported and protected. An important pillar of this mandate is the safe care, custody and supervision for those in remand, or for those who are serving a custodial or community sentence.

The *Police Services Act* outlines the responsibilities of police services, including the requirement for police services boards and the Commissioner of the Ontario Provincial Police, to provide court security in premises where court proceedings are conducted. In addition, police services also conduct prisoner transportation.

Under the Court Security and Prisoner Transportation (CSPT) Program, the ministry allocates funding to municipalities to offset costs associated with both court security and prisoner transportation services to and from courts. The ministry's annual investment to help assist municipalities in offsetting their CSPT costs began in 2012 and has gradually grown to a maximum of \$125 million annually since 2018.

As part of the ongoing work to build a more responsive and resilient justice system, the ministry will retain an independent consultant with expertise in public safety and security to review the Court Security and Prisoner Transportation Program. A Request for Services will be issued shortly.

This review will help strengthen best practices, as well as explore ways to improve the delivery of court security and prisoner transportation. This continuous improvement is part of the ministry's ongoing work to reduce court delays, leverage technology, improve public safety and reform the adult correctional system.

It is important to note that there will be no changes to the 2020 CSPT Program as a result of the review.

This review will engage ministry stakeholders – including municipalities, police services and other justice sector partners – to help assess and identify improvements to court security and inmate transportation as well as the design of the CSPT Program. Throughout this process, the safety of Ontarians and frontline staff will remain the ministry's top priority.

Be well and stay safe.
