---

### **PURPOSE:**

To ensure resident and employee safety, resident care equipment will be maintained in compliance to the standard of the Fixing Long-Term Care Act.

### **PROCEDURE:**

Resident care equipment will be maintained as per manufacturers recommendations. A service contract will be attained to a specialized contractor and/or equipment will be sent for service in such equipment as applicable:

- Beds
- Ceiling lifts
- Weight scales
- Blood pressure machines
- Enteral feeding pumps
- Therapeutic mattresses
- Tub lifts
- Portable cooling units
- Shower chairs
