# ANNUAL REPORT 2022

ELGIN COUNTY 2022 ANNUAL REPORT

20

# Warden's Welcome

On behalf of Council, I am delighted to share this 2022 Annual Report with you in hopes you will find the following information valuable and informative. It was a privilege to serve as Elgin County Warden as we returned back to some normalcy post-pandemic. I am confident that we, as a community, can work together to maintain Elgin County's status as one of the most desirable places to live, work, and play!

While this report satisfies a mandatory legislative obligation, it also serves as a chance to appreciate our numerous accomplishments in 2022. As per the Provincial legislation, the annual report offers a summary of the County's financial progress for the year ending on December 31, 2022, and highlights the County's triumphs, reminding us of our unwavering dedication to providing excellent service to our residents and local businesses.

Council's Strategic Plan, which was adopted in 2020, served as a road map to guide policy decisions until the end of our term in November 2022. As we worked towards our three strategic priorities of *Serving Elgin*, *Growing Elgin*, and *Investing in Elgin*, we continued to uphold our values of integrity, teamwork, fiscal responsibility, transparency, public engagement, and effective service delivery.

We extend our sincere appreciation to our residents and businesses for their resilience amidst the unprecedented challenges of the past year. We acknowledge and recognize your continued adaptability in the face of the evolving circumstances brought on by the COVID-19 pandemic. We would also like to thank our Council and staff for their efforts and dedication in 2022.

We remain optimistic that our community will emerge from these challenges stronger and more resilient, thanks to the strength of our citizens and the prudent financial planning outlined in this report.

Thank you for taking the time to review our Annual Report.

Mary French

MARY FRENCH 2022 Warden

# Your Elgin County

Elgin County is an Upper-Tier Municipality that is comprised of the following seven (7) Municipalities:

- Municipality of West Elgin
- Municipality of Dutton Dunwich
- Township of Southwold
- Municipality of Central Elgin
- Town of Aylmer
- Township of Malahide
- Municipality of Bayham

Elgin County consists of County Council and Administration, which is made up of 10 departments focused on delivering exceptional service to approximately 52,000 people. The County serves its area municipalities, businesses, visitors, community and government partners, and Elgin County employees.

While the City of St. Thomas is geographically located within the boundaries of Elgin County, it is a Single-Tier Municipality, and its services and operations are separate from those delivered by Elgin County.

#### **COUNTY OF ELGIN SERVICES**

Community & Cultural Services (Archives, Library, Museum)

Economic Development & Tourism Services

Emergency Management/Fire Training Services

# Meet Your 2018 - 2022 Elgin County Councillors

ELGIN COUNTY 2022 ANNUAL REPORT | 06

ELGIN COUNTY 2022 ANNUAL REPORT | 07

# **Elgin County Strategic Plan** 2018 - 2022

The County of Elgin's Strategic Plan provides a guide for the organization to follow over the years. Priorities were determined based on public feedback and budget decisions in response to Elgin County's challenges.

This plan focuses on improving the quality of life for Elgin County residents. Success in these priorities will result in a healthy, safe, affordable and resilient Elgin.

In 2019, Elgin County Council approved the 2020-2022 Strategic Plan. The plan highlights the following priorities and goals:

#### **Economic Development & Tourism Strategy**

Elgin County Council approved a new Economic Development and Tourism Strategy for 2022-2025 to direct the department's efforts over the next four years. This strategy affirms the County's commitment to re-evaluating how we spend our time and resources to support our local entrepreneurs better and foster an environment of opportunity for the County, its residents, and businesses.

#### **Libraries Go Fine Free**

With the unwavering support of County Council, all ten (10) of our Elgin County Library Branches began the gradual elimination of late fees. This aligns with the fine-free movement which aims to remove barriers to library use.

#### **Village of Richmond Reconstruction**

Council undertook a major reconstruction project in the Village of Richmond, located within the Municipality of Bayham. This project included the replacement of storm sewers and road structure replacement complete with curbs, asphalt and concrete sidewalk extension on Richmond Road. Final base asphalt will be added in 2023 to complete the project.

#### **Main Floor Renovations & Elevator Project**

Elgin County took strides at making its services more accessible in 2022. This began with a much-needed renovation of the main floor of the County's Administration Building, including an upgrade to the building's 1930s vintage elevator systems to address accessibility deficiencies.

#### **"These Hands" Charity Gala**

Through generous donations, Warden Mary French's Charity Gala, in support of the Terrace Lodge Redevelopment, helped to raise \$27,859 for the Comforts of Home Fundraising Campaign. This event featured the publication titled *These Hands: Touching Memoirs of Seniors Living in our Community*, which documented the hands of 56 individuals in our community. All 56 individual's hands were also framed and displayed at the event.

#### **Long-Term Care Homes Job Fairs**

County Council found unique methods of attracting employees to our three (3) Long-Term Care Homes through hosting three (3) job fairs across our communities, a first for Elgin County.

#### **Amazon Robotics Fulfillment Centre**

The redevelopment of the former Ford Lands finally came to fruition with the construction of a 2.8 millionsquare-foot Amazon Robotics Fulfillment Centre. Once this facility is fully operational, approximately 1,500 employees will work to package and ship orders for residents all across Canada.

#### **RNAO Best Practice Spotlight** Organization Designation

We also celebrated our LTCHs with their highly sought-out designation from the Registered Nurses' of Ontario as a Best Practice Spotlight Organization (BPSO).

#### **Elgin-Middlesex Regional Fire School**

The Elgin-Middlesex Regional Fire School saw its first round of students graduate, and 550 students attended courses to help serve Elgin and area's exceptional fire services.

# Understanding Your **2022 Taxes**

Council remains committed to achieving affordable taxes while maintaining and expanding high-quality services for residents. By taking a long-term 10-year view in our budget development, Council strives to proactively tackle the challenges facing our residents and seize upon opportunities that will improve our residents' lives.

Since understanding budgets can be a daunting task, we prepared an informative video in 2020 to help you understand a bit of the process that Council undertakes each year to ensure you are receiving the best quality services at affordable tax rates. This video can be found <u>here</u>.

In March of 2022 Council approved a budget with a 1.68% increase in taxes on an average property or a \$37 increase on an average household.

Tax Increase on Residential Property valued at \$350,000: \$37

**2021 Total Levy:** 40.6M

Levy Increase over 2020: \$1.5M

The following chart represents Elgin County's 2022 Budget and Actuals. The budget is an estimate of 2022 revenue and expenses supporting Elgin County's day-to-day operations. Actuals represent real revenue and expenses throughout the year.

For a further breakdown of department spending, please refer to '*Appendix I*' for the performance details.

| DEPARTMENT NAME  | BUDGET         | ACTUALS        |
